Dedication

The Class of 1992 would like to dedicate this yearbook to a special group of individuals who do more for us than they get credit for. This group of warm, caring, sincere people are our parents. Contributing so much of their time, they have stood by us and guided us through each year of high school. Without them we would be a class of misguided, unprepared students. They have given us a chance to learn and grow to become the wonderful class you see before you today. We would like to thank you for making our high school years **THE BEST OF TIMES.**

FACULTY

Throughout the best of times and the worst of times the faculty has been there, controlling our excitement or patiently listening to our complaints. Sometimes we don't realize that they are there to support us, and are not all out to get us, just some of them . . . The recent changes over the past four years, like a new vice-principal and severe budget cuts, have been just as hard for them.

Now, at the end of our senior year, it suddenly becomes so obvious that they *have* been there all the way, helping us and encouraging us, not just because they get paid for it, but because they enjoy it. Our success means they have succeeded. Faculty, a most sincere thanks for your efforts from the Class of 1992.

The Yearbook staff would like to extend our personal gratitude to those who helped when we were helpless: the offices of Mrs. Mikel, Mrs. Banville and Mrs. Poltack.

A special thanks to our yearbook mentors: Mr. Winters for his timely literary *assistance,* Mr. Merullo for his helpful business *knowledge,* and Mrs. Bini for her excellent layout *experience.* Thank you all for keeping us sane. Well, as best as you could . . .

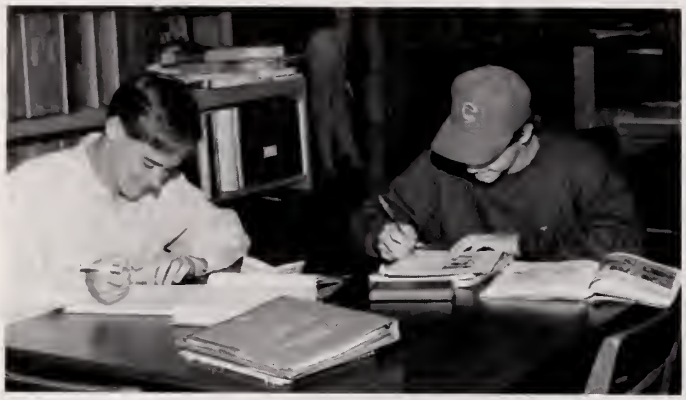
Here's What Students Really Learn . . .



Cheat, cheat never beat!

Are you ladies stealing books again?

Do you guys really know what you're eating?

It's really good, try some!?

This is almost as good as the stuff they make in Foods.

"Guess what Santa's getting **me** for Christmas!"

Ian has no clue in this class.

"Callie, did you hear about what they did . . . "

"Joe, someday I hope to grow up as studly as you are." "I know, Butch, everyone does."

The STUDS of science.

"I hate this class?"
"I hate this class."
"I hate this class!"

. . . What Mission?

10 Ways On How To Pass A Class

Show up to class

Smile alot

Participate

Let Cliff Notes be your Bible

Just pass quizzes

Be a football player

Pretend to pay attention

Skip class and steal someone's notebook who took class

Volunteer

Pay the teacher

Sit next to someone smart

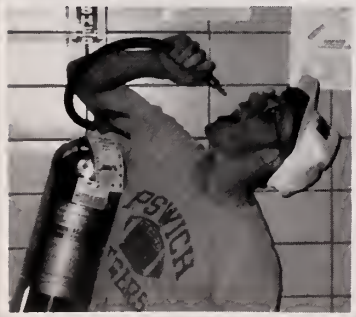
Class? . . . Ya, right I need to pump up my muscles.

Forget school, we're outta here. Jen, is the coast clear?

I need a substitute!!!



I can't take it anymore!

Being in the bank is always a good excuse.

10 Excuses To Skip Class

Hi, I'm here to dismiss my daughter.

Didn't do homework!

I don't feel good; got to go to the nurse for the period.

Vermont just got tons of snow, grab the skis.

Get a pass from coach-

See Mrs. Mikel about college.

I thought we had a half day, so I left early.

I have a female problem (PMS).

I have to see my boyfriend/girlfriend!

I have a doctor's appointment.

There's a party I have to attend.

It's SENIOR skip day!

But we *have* to play tennis- sign the pass!

I'm failing anyway, why bother?

Basketball is much better than Geometry.

The weather is to nice. I have to go to the beach!

We are the superbowl Champs! We don't have to do anything.

10 Excuses Of Why Not To Do Homework

I fell asleep doing it.

I had bad cramps.

You just don't understand!

My book was stolen. You wouldn't believe it!

I was watching 90210 instead.

Andi, you are looking spectacular today!

The page was missing from my book!

My pet died and I was too emotionally upset.

I think we're safe under here. Please, Mr. Kieran, don't walk by.

UNDERCLASSMEN

1·9·9·2

As underclassman, the intimidating looks and inimidating fears slowly become less . . . intimidating. Freshman year is a memorable one; after all the intimidating looks and initial fears; you really start to appreciate the freedom and individualism high school brings.

Sophomore year we feel more comfortable and start to enjoy not being called freshman. We give a sigh of relief showing we are not beginners anymore and we stat to accept who we are.

Junior year we're getting psyched, knowing we don't have much time left at IHS. Each moment is cherished by laughter and fun. All underclassmen do have one thing in common, that is, looking forward to the best year in high school, their senior year. In the meantime, make the first three years as memorable and constructive as possible

Freshmen

Hey you guys SNAP OUT OF IT! Spirit Week went down the tubes when our class didn't participate. So our freshmen year started as a big flop. But that doesn't mean that the next 3 years have to be the same way. LET'S GET PSYCHED!

Through elementary and Middle School all we heard was "you guys have a great class!" So now it's our time to show them what we're made of! freshman year was a little rocky, but if we all pull together during the next three we can be one of the best classes that ever passed through IHS halls.

Sophomores

The class of '94 has had memorable times. We have shared most of our first experiences. We started off as strangers and ended up as best friends.

On our first days at IMS we were all unsure of ourselves. We were thrust together in the same situations. We reacted the only way we knew how, by binding together and staying that way all through our school years

We shared our first overnight trip on Thompson Island. We had to rely on only each other. Many of us bound together to travel to Canada, and in this experience we learned how small the world is. We traveled to Washington D.C. where we learned why our country is so great.

In the past few years we have demonstrated what our class can really achieve. We came out victorious in Spirit Week by coming in second. This is only a small indication of what we can achieve in the future. KICK BUTT CLASS OF '94!

"Merrr" . . . echoes down the hall along with a variety of other exotic animal noises. Our animal calls and other immature noises are the ways that we express our personalities and our obnoxious nature. We always seem to make unpleasant or tedious situations such as: class meetings, boring English classes, and stressful honor level courses, into laughter and memorable experiences. We're definitely making high school the best years of our lives as they should be. Fun is on the top of our priority list! We only have one more year together at IHS. Our senior year will further develop and strengthen the unity among our class and be another year of living up to your reputation. After all, "We're all a bunch of party animals . . . We ain't leavin' till we're heavin'!!!"

This Is A Stressful Year Where
We've Been Told To Buckle Down
Deciding What Our Future Will Be.
Since Most Of Us Are College
Bound We Are Challenged With
Applications And The S.A.T.

But It's Also Time For Goodbyes
And Maybe A Tear
For, Soon We Will All Be Apart.
We're Leaving I.H.S. With One
Last Big Cheer With Nothing But
Good Memories In Our Hearts.

This Is Our Final Year Of School
Together.
We Are A Class That Likes To
Have Fun.

STUDENT LIFE

SCHOOL'S OUT! IT'S 2:15. A FRIDAY AFTERNOON. Kids racing around anxious to get out. Loud screams and hollers echo through the halls. I.H.S. is rambunctiously turned upside down with chaos. Yippee- party time! A new life is born on this glorious Friday, as it is during the summer. It's our time now, time for fun. Our student life is filled with proms, parties, hanging out with friends, studying (NOT), cotillions and dances. When the weekend rolls around all of us serious, hardworking, studious, students you see everyday in the hall looking so smart turn into crazy, rebellious and outrageous kids. After all, there is a "kid" in everyone.

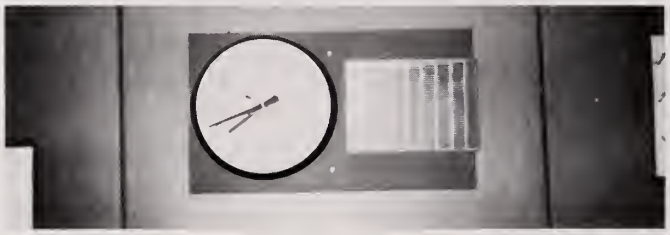
Back To School



Typical Day At IHS

It's seven thirty and the IHS parking lot is mostly empty. There are still ten minutes before the late bell, plenty of time. Those less fortunate who have to take the bus are milling around the foyer of the cafeteria, with eyes half shut. The bell rings and people dawdle to their lockers, in no hurry to start the day. Students begin wandering into classrooms, some rushing to copy down last night's home work, others gossiping all the way to class. At seven thirty nine the last few students are running into school hoping not to be late, while others who couldn't care less about "the system" move at a snail's pace.

In the halls between classes students are "herded" through like cattle. Some faces are happy and smiling, others are stressed. Those not talking to or walking with someone are usually looking. Some have secret love and admiration in their eyes, others disgust. It's like the zoo; people come to look at the animals.

Lunch is a time to wait and be with friends. This is a key time to pick up choice bits of gossip and talk about those not well thought of. (It may seem as if our school revolves around gossip but there is actually some learning taking place) As the bell is about to ring, sounds of people trying to be the bell echo through the cafeteria.

After lunch the day is half over and most everyone is awake, if not in better moods.

Classes are fifty three or forty seven minutes long. In some cases it can seem like an eternity, in others there aren't enough minutes. Most classes contain a diverse group of people, except for honors classes. This can prove to be a most entertaining experience, if not educational.

As two sixteen approaches students are anxious to get out of school. Some people are off school grounds at two sixteen and forty five seconds, others seem to spend their lives in the building. There are many clubs and activities to occupy and interest almost everyone.

No matter what you like most students at IHS are working hard to make something of their lives when they get out, others just work and wait to get out. Either way a typical day at Ipswich High can be compared to a day at the zoo. There isn't much to do but look at the animals. I'm not saying we are animals, we certainly aren't, though some ocassionally act like them. What we are is the future of America.

CONCERT CHOIR

Under the direction of Ms. Claire Cayot the IHS Concert Choir has become one of the best for its size in the area. The Concert Choir meets every day and performs a variety of musical selections. From classical to folk to jazz and spiritual the concert choir has done it. Each year a number of students audition at the Northeast District Choir.

BEL CANTO

Bel Canto is a select women's singing group open by audition only. It meets twice a week after school. The group also performs a wide selection of music under the direction of Mrs. Monica Sheppard. Each year the members of Bel Canto are required to audition at the Northeast District choir and perform in the annual recitals held at the High School.

BAND

The I.H.S. band is a group of multi-talented musicians who practice every day. The band can be enjoyed playing "Batman", "La Bamba", and many other great selections at all the football games. In the winter and spring the band performs as the concert band under Mr. Jerry Dolan's direction.

THE CHAMELEON

The Chameleon is published by the senior English magazine class. It contains short stories, photographs, poems, essays and artwork. The magazine is published once in January and once in May. The Chameleon is probably most famous for the radio ads that echo early in the morning. The staff has learned lots from Mrs. Beverly Benedetto's "bag of tricks."

ART CLUB

The Art club is an after school activity that meets every Wednesday. There is usually a planned project or students use the time for an open studio. The Art Club members have a lot of fun. The club's president is Tracy Rose and the advisor is Mrs. Frencesca Bini.

BUSINESS PROFESSIONALS OF AMERICA

The B.P.A is an organization for students interested in business. The members take part in a competition in March with students from other schools throughout the state. The competition categories are in Accounting, Computers, Business Law, Typing, and many other skills. The competition starts off at the state level and then if sucessful continues national level. Mrs. Mariann Tozier and Mrs. Lucille Henrik are advisors.

KEY CLUB

Key Club is a non profit organization where students contribute to the development of the community and at the same time develop lasting friendships, but most of all learn about himself and how much can be accomplished when everyone works together. The club advisor is Mrs. Joanne Banville and president is Michelle Lees.

POLITICAL SCIENCE CLOSE - UP

Project Close Up is a group of seniors who take an interest in our government. The purpose of the group is to give students a better understanding of what goes on in Washington. In March the group spends a week in Washington with many other schools all over the country. The students will debate national issues, attend meetings, participate in group discussions, and see first hand how our government works. The project Close - Up advisor is Mr. Ken Spellman.

LEADERSHIP

The Leadership Project is a group of students meeting with Mr. Brahm Schatia. The program addresses substance use patterns within our community and is based on the following approaches: concentrate on causes, create alliances of teens and adults, build healthier communities that support families and strengthen communication and celebrate hope.

SCIENCE LEAGUE

The Science League enjoys science that is a little different than the kind learned in classrooms. At meets, members compete in bridge- building, egg drops, genetic problems, and Trivial Pursuit with only science questions. Questions cover biology, chemistry, earth science, and physics. The favorite category of most members is instant invention, in which a team has to create an object using limited materials. Mr. Larry Peterson is the advisor.

MATH LEAGUE

A math league meet is held approximately once a month, containing six events covering algebra, geometry, trigonometry, and analysis. Members compete separately in three categories and work together in a team round. The Math Team of IHS is adept at snatching defeat from the jaws of victory and formulating ideas about new universes. The advisor is Mrs. Soliozy.

NATIONAL HONOR SOCIETY

The National Honor Society is made up of students with high academic averages, active extra curricular participation and community service. Only a few seniors each year are invited to become members. Mrs. Cynthia O'Grady heads the program at IHS.

COLLEGE BOWL

Everyone in College Bowl is capable of answering at least some of the questions because they deal with anything from sports, to art and science. A team is comprised of students possessing different areas of interest and strength. Meets take place six times yearly at various North Shore schools. Competition between teams is spirited and light-hearted. Often questions, and more frequently, student guesses, are original and hilarious. The College Bowl advisor is Dr. Richard Ladd.

SPEECH

Speech is a class that teaches its students confidence in public speaking. The class is made up of seniors, and is extremly fun. Routinely each student is forced to swallow their fear and speak in front of the class. In mid - March the class performed John G. Neilhardt's *Black Elk Speaks* for the school. The class is taught by IHS's drama queen Mrs. Debra Dion Faust.

TIGER TRANSCRIPT

The Tiger Transcript is a page in the Ipswich Chronicle which is written by seniors in the journalism class. A wide variety of issues are reported; ranging from passing our birth control in schools to budget cuts to student spotlights. The entire staff strives to present to both the school and the town a readible and entertaining paper. Editors are Shelby Walker and Ben Baker, the advisor is Mr. William Laakso.

RECYCLING CLUB

Someone has to do the dirty work to clean up the environment and that's where the Recycling Club comes in. The members collect white paper, cans, bottles, and styrofoam. The efforts of this club are becoming increasingly more important to preserve a world with a precarious future. The advisor is Ms. McVann and the president is Sarah Prato.

THE COMPANY

The Company consists of students who share a mutual respect and love for the theatre. Hours upon hours of vigorous work, both in technical and action aspects of the theatre are put into every production. Each year under the direction of Mrs. Debra Dion Faust three productions which consist of the fall show, the competition show, and the spring show. They are performed for the public. Without a doubt The Company is one of the most time consuming activities at IHS. Since 1988 the following shows have been performed by the IHS Company:

Working
University
The Curious Savage
Anne of Green Gables
Elizabethan Evening
The Cinderella Complex
The Music Man
Wings
Charlotte's Web
Look Homeward Angel
Tales of Trickery
A Thurber Carnival

ATHLETICS

SPIRITED I.H.S.

Congratulations, Spirit had made an ultimate comeback! In the past few years, it seemed to have disappeared while sad, boring faces would walk through the grey halls of I.H.S. But this year Spirit has evolved again in full force finding its way into all our students, causing joy in school, smiles on faces and extreme anxiety and excitement. We students at I.H.S. have been priviledged to be involved in many spirit-filled activities this year- Homecoming, Spirit Week, bonfires, rallies, parades and athletics. These events have provoked the many high-spirited attitudes from each and every student. The I.H.S. is proud to attend the intriging athletic events to cheer our teams on to victory. Our spirit-filled school has finally come together with our infamous "Tiger Pride"!

Athletics has played an important role at our I.H.S. Because of our strong athletic staff, we students can participate in a variety of sports. It gives a chance for students to excel physically as well as mentally. Therefore, because of the abundance of "Tiger Pride" There was never a game when you weren't able to hear our supporting fans cheering and yelling in the bleachers.

Homecoming 1991

MONDAY: Character Day/Class Songs, Jeopardy
TUESDAY: Hippy Day/Tug-a-War
WEDNESDAY: Dress Up Day/Lip Sync
THURSDAY: Dress Down Day/Olympiad
FRIDAY: Orange + Black Day/Pep Rally

Each class struggled and pulled together during Spirit Week. Points were rewarded each day to the class with the most participation for that event. This was the time to see which class had the most spirit. At the end of this competitive, wild week the points were tallied. Of course the Seniors came on top with the number one title, followed by the Sophomores. Juniors gratefully accepted third. Freshmen, maybe a little shy and not so confident placed last. Thanks to everyone for a succesful week.

Hey man, like this is really groovy.

Yeah, but the seniors put up a good challenge.

Tracey - what year is this, 1960?

"How do they expect us to whistle with all these crackers in our mouths"

"This water balloon toss looks easier than it is"

Our senior mascot

A "rear" shot of Micky you don't see everyday.

Rachel has the "eye of the tiger"

Spirit Week 1991

Ma Soks takes 1st place for putting on Spirit Week we love you.

"Melissa hold me up" "Tracy I'm trying"

Ahh the "intimidating" senior wing.

Seniors are #1

ow us Jess, your spirit that is.

Where did we get these guys?

Smiles from our senior hall decorates "Thank god we're done"

Yippee, we finally got an answer right in jeopardy

Go Mike - don't fall

FOOTBALL

For the past 5 years the Ipswich football team has ended its season with a losing record, but this year, with a group of kids who have the desire and ability to win, they won, bigtime. The Tigers started the season unsure about what the 1991 season would bring, but after the first win over Hopkinton it was clear where we were headed. The Tiger offense stunned opponents averging 25 points per game and beating all the Kingpins in the CAL. The only two losses were by a combined score of 5 points and were to Greater Lawrence who turned out to be #1 in their division and North Andover. Thanks to and explosive offense and a stingy defense, the Tigers went into Thanksgiving number one in the league and ready to do battle with the Generals for the championship on Turkey Day.

FIELD HOCKEY

Although the stickwomen of '91 didn't make the State Championships they did have a good season and were definite champs of spirit.

Always remembered will be the glorious game against Lynnfield where the lady tigers ran circles around the Pioneers.

The team always has alot of fun together and is one of the best teams Ipswich has. So come one, come all, and stick with the best with I.H.S. Field Hockey.

GOLF

The Golf Team had a very succesful inaugural season. They posted a 14-1-3 record which captured the Cape Ann League Championship. Pacing the team were sophomores Steve Dipalma and Matt Harding, juniors Greg Poor, Mike Washnock and Scott Knox and senior MVP Tim Galanis.

The post-season for the Tigers was just as succesful as the regular season. The team qualified for the state finals by capturing the Division 2 North Crown at Putterham Meadows Golf Club in Brookline. Leading the team there were Poor (76), Dipalma (81), Knox (87), Harding (90) and Galanis (94). The Tigers will try to capture the state title on June 8th

In the Individual State Tournament, Knox, Poor and Washnock all participated. Knox (78) and Poor (82) advanced to the State Individual Finals which will be played on June 1st.

Next year the Tigers look very promising, only losing Galanis to graduation. John Keller and Jay Murray will be fighting out the final spot, and with Colin Bell, the CAL Coach of the Year, at the helm again the Tigers will be shooting for another CAI Title, and may be a lot more.

BOYS SOCCER

A regulation soccer ball is approximately-inches in diameter and a regulation soccer goal is approximately-square feet. Putting this relatively small object in such a large net may sound easy to you, but was rather a difficult task for this years Boy's Varsity soccer team.

Losing an entire varsity team of seniors forced this years team to undergo some major changes. This transition from older experienced players to younger, less experienced players was very difficult. This years maturing team was comprised of a veteran defense which was very capable of holding its own in times of need. However, the offense was not all inexperienced. It was mostly made up of underclassman that possessed the necessary skills, but tacked the knowledge of the game thus impairing them from not completing the task of putting the ball in the goal.

GIRLS SOCCER

The I.H.S. girls soccer team is made up of a group of high-spirited, talented, athletic individuals. Every game was played with a great attitude and hard work. The Tiger pride in all of us has led us through a pretty rough season. Through it all, we never gave up. Our few victories are ones to be extremely proud of. CHEERLEADING

The IHS cheerleaders are the spirit of Ipswich High. This fall season was the most spirit that IHS has seen in quite a while. Spirit Week, led by the cheerleaders, began the fall season with an incredible amount of school pride. This pride was the stepping stone for the success of the fall season.

The incredible amount of spirit can be credited to the cheerleaders. Their pep, energy, and hardwork was well rewarded when they placed second in the annual fall cheerleading competition. With a young team and the Cape Ann League Coach of the Year, Ms. Janet White, we expect to have other succesful seasons.

Boys' Basketball

Our basketball team has come a long way in the last two years. The previous records were 2 and 10, but our team has already worked beyond their records at 2 and 3 in the league and 2 and 7 overall. Considering half the team missed a week and a half of practice due to the great football season, we show a lot of promise. After two heartbreaking losses of a total of four points of the giants in the CAL, we have won three games in a row. We will be heading into the tournament with a head of steam; we will be very hard to stop. If our team can stay together and keep this momentum going we will hopefully bring home another title for Ipswich and this will really be called a Cindarella Story! - Capt. Dickie Merry

Girls Basketball

This year the girls' basketball team has worked very hard. We have had a very frustrating season but have managed to keep our spirits up. Our coach, Holly Johnson, is working very hard to rebuild our team for the future. We would like to thank the parents and the students for all their support and encouragement. Many thanks to the Ipswich High athletic department. Watch for the Lady Tigers to lead the Cape Ann League in the future!!!!!

Boys Track

The 1991 - 1992 indoor tack season was small in numbers but large in talent and spirit. The team consisted of two crews sprint and distance with field events rounding it off. The distance Crew was dedicated and determined to excell. The crew overcame many obstacles by not having a definite schedule, running long miles in harsh weather. The Sprint Crew was the strength of the team. Co - Captain Mike Dolman was the key asset to the team, participating and excelling in many events. Sophmore sensation Ethan Wren helped the team out with excellent high jumping. Chris "Wheels" Wheeler was a dominant force in the fifty yard dash. If it weren't for the key underclassmen that were on the team we wouldn't have won a lot of those close meets. Good Luck guys in the future! - Co- Captains

Winter Cheerleading

The Winter Cheerleaders have come a long way. The squad has had an excellent season. The cheerleaders have worked hard to create school spirit and have also been preparing for winter competition. This is the first year that our squad has been co - ed. It has worked out well and we have a great chance of placing high at our competition. The cheerleaders wishes came true when they placed first in the CAL Winter Cheerleading Competition between 12 other squads. Now the IHS has two *equal* CAL Champs.

Hockey

The 1991 - 1992 hockey team was most remembered for its hard work and determination. Captains Jeff Marshall, Nathan Gray and Drew Wile led this aggressive team to some great victories and some hard fought losses. Under a new optimistic coaching staff, no matter, win or lose, we can say we worked together as a team.

The End

1·9·9·2

CLOSING

The fun times that we couldn't wait to happen and couldn't wait to do, are now coming to an end. All the new friendships we were told we would make are now disappearing before us as it comes to end. It seemed like yesterday when we first experienced being a giddy little freshman, a wanna-be sophomore or a tough, bullying junior. Didn't it feel as though the path we made for ourselves at I.H.S. would never end? That we would always be traveling upon it- seeing the same 'ole people and the same "boring" surroundings. No one ever said growing up was easy.

Yes, it brings tears to many faces, for we have been a class for eight long, happy years. We made it through Middle School together and have gotten through High School with the help of all of us. Some have known each other for 12 years and some for 8, blessed with the "new kids" each upcoming year. All the same, we are one united class; actually more of a family. Like brothers and sisters we've helped each other through the years. Hand and hand we came together and hand and hand we will leave, bestowing behind all our laughs and tears, good and bad and hopes and dreams.

But my friends, it's time for all of us now to make a new path, a new beginning, making this one a memory. We will move on to new and exciting journies. It's sad to think that in twenty years your classmates may be nothing more than a picture in this yearbook. Time and distance may separate us, but they can never take away our memories, for they will always remain within our hearts. Farewell, to a class that is more than just a generation of kids, but to a class of friendly, warm individuals.

Goodbye to the class of 92!
